Dust unsettles residents

By Dave Gosnell

Staff writer

GRANITE CITY — Coal dust from a Granite City Steel coal pile is making life miserable for nearby residents.

Many residents near the company's coke plant told the City Council on Tuesday they want the company and the City Council to do something about a fine dust that is settling in their houses and yards.

"Every time the wind blows from the south we catch hell," said Bill Hoppe, an Edwardsville Road resident who is a spokesman for a neighborhood group concerned about the dust.

The coal pile is near the intersection of Edwardsville Road and Alexander Avenue.

Hoppe presented the council with a petition signed by 150 residents wanting the dust clouds stopped.

The dust is so fine that it comes in through closed windows and gets into furniture and clothes, said Hoppe. He said the dust irritates eyes, keeps children from playing outside, settles on everything and is difficult to clean.

"We don't know what the solution is we'd like to help," Hoppe said.

Third Ward Alderman Paul Fisk had visited the area after receiving complaints and agreed with Hoppe that the dust is extremely bad.

"I was there 20 minutes. It's been extremely windy. You could feel the grit in the air. There's a real problem there," Fisk said.

Broken line threatens plant

By Dave Gosnell

Staff writer

GRANITE CITY — A key pipeline leading into the Granite City Steel plant has threatened the plant's operation and will require immediate repairs.

Leo Konzen, an attorney for the company, asked the City

Council on Tuesday to grant an emergency construction permit so the company can replace an eight-inch oxygen line, which runs across 21st and 20th streets.

"The operation of the whole plant is operating on a day-to-day basis," Konzen said. He said the company recently

Use of police car under review

By Dave Gosnell

Staff writer

GRANITE CITY — Off-duty conduct of several Granite City police officers will be reviewed by Police Chief Bill Harris.

Mayor Von Dee Cruse wants the use of a police car by several off-duty officers reviewed as a result of testimony given by an officer that the officers had been drinking the night the car was used. The testimony was given at the May 29 hearing concerning a driving under the influence arrest of School Board member

David Partney.

Officer Walter Milton Jr. testified at the hearing that he and other officers had been drinking April 16 at Ingleside Tavern and at Charlie's Restaurant. Milton also testified that an unmarked police car was parked at Charlie's and that he had retrieved keys from officer Richard Scharidan, who was also off-duty and at Charlie's, to unlock the car.

Cruse said he wanted to know if any officers used the police car after drinking.

"These things should be

looked into. Drinking and using a city police car. I sure couldn't approve of that. That's not saying these people were," Cruse said. He said he would discuss the matter with Harris.

Harris said the car is normally used by Scharidan and officer Ron Landman, who are attached to a special police unit.

Scharidan, a detective, was at Ingleside with other officers before going to Charlie's. Harris said that Scharidan, though off duty, was working while at

Bridge fare now 50 cents

By Valerie Evenden

Staff writer

VENICE — Increasing the toll Monday on the McKinley Bridge produced traffic tieups and more than a few complaints from commuters.

The toll for autos went up to 50 cents from 30 cents and fees for 16-wheel trucks increased to \$1.30 from 90 cents. Pickup trucks are charged 65 cents, up from 40 cents.

Commuters had become more adjusted to the new fares by Wednesday and traffic moved at a faster pace.

The number of vehicles crossing the Venice-St. Louis bridge may have decreased slightly, a regular bridge user said.

Nearly 20 years have passed since fees were last raised, Bridge Manager Tom Fields said.

The higher toll will help to pay for renovations to keep the bridge safe and extend its longevity, the manager said last month.

Nearly 16,000 vehicles cross the bridge each day — a half-million vehicles a month and six million a year.

Price given ovation at banquet

By Dave Gosnell

Staff writer

EDWARDSVILLE — A standing ovation was given to Rep. Mel Price, D-Belleview, Saturday evening for his 43 years as the 21st District congressman.

Price was the guest of honor at the Granite City Ambassadors' third annual Mayoral Ball and Banquet held in the Meridian Ballroom at SIUE.

"To the surprise of many, Price addressed the approximately 300 guests."

"It's always had politics to announce ahead of time your retirement. I can't serve forever. There's always going to have to be an end to the good things in life," said Price, who is 62.

Price announced during the closing days of his 1986 re-election campaign that he planned to retire after his term ends in 1989. On Saturday, he joked that

those who would like to take his place will be glad to hear of his retirement plans, though Price stopped short of making his retirement official at the banquet.

Some in the audience, including St. Clair County Board Chairman Jerry Costello and Madison County Auditor Pete Fields, have expressed their interest in running for Price's seat.

Attending the banquet were many Granite City and Madison County Democrats.

Price sat alone near the entrance of the ballroom as people formed a line to have a few words with the congressman.

Price talked to anyone who stopped by.

Dr. Albert Tritan later recalled Price's first campaign slogan in 1944.

"Elect a good soldier to Congress" was on postcards when

Price campaigned while away in the Army. He won the campaign.

The guest speaker at the banquet, Gen. Richard Stephenson, commander of the Aviation System Command in St. Louis, lauded Price for his work as the former chairman of the House Armed Services Committee.

Stephenson said Price looked out for the "common soldier" during his years in Congress and credited Price with keeping the St. Louis Area Support Center in Granite City open. As AVSCOM commander, Stephenson's responsibilities include the support center.

Price sat next to Mayor Von Dee Cruse at the head banquet table.

Cruse later said that Price, at the urging of Cruse and Tritan, decided at the last minute to speak.

Buehler resigns post

By Bill Bagby

Staff writer

GRANITE CITY — The resignation of Vic Buehler as principal of Grigsby Junior High School was accepted Tuesday by the District 9 Board of Education.

Buehler, 42, resigned to accept a job as superintendent of the North Wayne, Ill. School District starting July 1. The district has approximately 600 students, he said.

"I'm really excited about it," Buehler said Wednesday. "It's really going to be a challenge."

The decision to leave was a difficult one for Buehler and his family, he said.

"I will definitely miss this community and I hope that I have been a positive contribution to our district and its students," Buehler wrote in his resignation letter.

Buehler said he has had a good relationship with the board. Buehler has never been asked by board members to give special treatment to their children, he

commented.

He will miss the students, he said.

"The Granite City students have been, are and will remain the best, to me," Buehler said. "The kids of Granite City are super to me."

Buehler was appointed to the Grigsby post Aug. 26, 1986, succeeding Ron Spalding.

Buehler had been assistant principal at Granite City High School and was recommended for the Grigsby job by Superintendent Gib Walmsley.

"We're very happy for Vic," Walmsley said Wednesday. "We think we're losing a very fine school administrator."

Buehler has been with the district 19 years, starting as a physical education teacher at the former Prather Junior High School.

He has served as intern principal, an administrative aide, an assistant principal at the former Granite City High School North for eight years and an assistant principal at the combined high school for three years.

Barton jail term delayed

EDWARDSVILLE — Former Madison County Supervisor of Assessments James W. Barton has won a stay of his six-month jail term, pending a hearing before a judge next Monday.

Barton, 64, of Granite City, was to have begun serving the term June 1 as part of his sentence for conspiracy to commit bribery and four counts of official misconduct, all related to improper assessment reductions.

Barton, who served 12 years as supervisor of assessments, had pleaded guilty to the charges in a plea-bargain which included the dismissal of 32 other counts.

Barton on Friday obtained a delay of the jail term from Associate Judge Charles V. Romani Jr., who scheduled the hearing for next week.

Barton, in a petition filed last week by his attorney, J. William Lucco of Edwardsville, argued that he and his wife were "physically abused" by the state.

ID pictures will be made Saturday

GRANITE CITY — The Park District office staff will be making identification pictures at the Wilson Park office this Saturday from 9:30 to 11:30 a.m. and July 16 from 7 p.m. to 9 p.m.

The cost is \$1 per card and the card is valid for three years. Only those bringing proof of residence, such as a voter registration card or current utility bill with the name and address, will be able to purchase a card.

The identification card enables residents to obtain a discount at the swimming pool and ice skating rink. The card also is necessary for senior citizens to obtain free admittance to the daily swim offered at the Wilson Park pool.

Identification cards are also made every week on Monday and Thursday afternoons from 2 to 4 at the park office.

Madison summer program begins

The Madison Recreation Department will hold a summer playgroup program beginning Tuesday, June 9, and continuing through the third week of August.

The daily sessions from 9 a.m. to noon will be designed for children age seven through 14. For further information those interested are to call 451-1440 or 452-0721, Broadway said.

New bus to link Granite City and Edwardsville

Final details of the new 508 Edwardsville cross-county bus route, which begins operation June 8, were announced May 28 at a meeting of the Madison County Transit District Board of Trustees.

The new service, linking Edwardsville and SIUE, will operate weekdays from 7:30 a.m. to 6 p.m. with 90-minute frequency of service.

District Chairman William R. Haine said that, with the addition of this service, virtually all areas of Madison County will be interconnected by bus.

"We have high expectations for the performance of this route," said Haine. "A lot of time and effort has been spent on getting the input of individual citizens, business people and local officials on the need for the service. We've used their suggestions to plan and schedule what we think is a fine service."

County governmental offices as well as county and federal judicial centers in Edwardsville and Alton will be easily accessed by bus. The new 508 route has been planned to accommodate the hours of operation of most county offices and also will be convenient for the use of jurors.

The students and faculty of SIUE will be able to use the new service to commute to class. The bus will stop to drop off and pick

up passengers at the Administration Building circle. In addition to SIUE, the 508 directly serves Belleville Area College's Granite City Campus and provides a transfer opportunity to take the Godfrey Shuttle to Lewis and Clark Community College.

Travel to Alton Square is now possible via the bus from Edwardsville, Wood River and East Alton on the 508.

In addition, the 513 Alton-St. Louis is being extended to Alton Square on June 8, providing direct access from Granite City.

The new 508 cross-county will operate weekdays only along two branches, one from Alton to Edwardsville, and the other from Granite City to Edwardsville. Both branches of the route will service SIUE.

The Granite City-Edwardsville branch will begin in downtown Granite City at Edison Avenue and 18th Street, travel south on 20th Street north on Madison Avenue and Nameoki Road, east on Pontoon Road north on Maryville Road and Illinois 203, east on Chain of Rocks Road, north on Illinois 111, east on New Posa Road, south on N. University Drive to SIUE, exiting on University Drive north on Illinois 157 and West Street to the Madison County Courthouse, Edwardsville.

Fares for the 508 will be 50 cents one-way for adults, and 25 cents one-way for children aged 5 through 12, senior citizens and the disabled.

No zone charges are applicable for this route.

For additional information on the 508 or to request schedules by mail, interested persons may call 1-800-223-8151.

Jerry Kane is managing director of the Madison County Transit District, 1-800-847-7433.

Dr. Christos Antoniou

Dr. Antoniou partner of Dr. Wilkins

Dr. George Wilkins, a local pediatrician, has announced that Dr. Christos A. Antoniou has joined him as a partner in his practice at 3165 Myrtle Ave., Granite City.

Dr. Antoniou had a private practice in Granite City in 1966-73. He also was a member for several years of the active medical staff at St. Elizabeth Medical Center, which he now rejoins.

Currently, he is on the active staff at St. John's Mercy Medical Center and DePaul Medical Center, both in St. Louis. He also belongs to the Courtney Nursery Staff of several hospitals in Missouri.

Since 1966, Dr. Antoniou has been an assistant pediatrician with Children's Hospital of Washington University. For the past 12 years, he has served as an instructor in clinical pediatrics at Washington University School of Medicine.

Dr. Antoniou earned his medical degree in 1958 from the University of Athens Medical School, Athens, Greece. He was born in Sparta, Greece, and later became a citizen of the United States. In St. Louis, he served his one-year rotating internship at Deaconess Hospital before going to St. Louis Children's Hospital for a three-year residency in pediatrics.

He belongs to a number of professional organizations: American Academy of Pediatrics, St. Louis Pediatric Society, Missouri State Medical Society and the St. Louis Metropolitan Medical Society. Dr. Antoniou is American-board certified with the American Board of pediatrics.

55-Alive driving course scheduled

The 55 Alive driving class will be available in Granite City. This program is designed to increase older drivers' concern for the normal age-related physical changes in vision, hearing and reaction time, as they affect driving. Goal is to increase "awareness of appropriate techniques for driving in today's complex traffic patterns."

It will be held at the Granite City Campus of Belleville Area College at 4950 Maryville Road June 23 and 24 from 9 a.m. to 1 p.m. It will cost \$7 per person, age 55 and older.

Most insurance companies allow a discount on insurance premiums for seniors who have taken the class.

For further information or to register for the class, seniors may call the RSVP (Retired Senior Volunteer Program) office in Granite City at 876-3223.

Mr. and Mrs. Paul J. Baker

Mr. and Mrs. Paul Baker to celebrate anniversary

Mr. and Mrs. Paul J. Baker of Granite City will be honored at a reception on Sunday, June 7, marking their 40th wedding anniversary.

The social event will be held in the Granite City Township Hall, 2060 Delmar Ave., from 2 to 4 in the afternoon.

Mr. Baker and his wife, the former Louise Jordan, were married June 8, 1947, at the First Baptist Church in Granite City.

He was employed at Granite City Steel for 31 years prior to his retirement in 1978. Mrs. Baker worked at the Granite City

Army Installation for 24 years and also is retired.

Both are members of the First Baptist Church, where Mr. Baker serves as a deacon. They also are members of the Downtown Neighborhood Restoration Society and the Granite City Association for Retarded Citizens.

Hosting the affair will be their daughters, Paula Baker, Swan sea, Mrs. Jon (Betty) Lyeria, Glen Carbon, and Mrs. Jerry (Sandy) Curran of Edwardsville, and a son, Philip J. Baker, Granite City. They have five grandchildren.

Church Women donate funds

The Walk for Hunger on Sunday, May 17, sponsored by CRCP, to which Church Women United belongs, was termed a success. Over \$9,500 was pledged and 250 people joined in the walk. Phoenix Crisis Center and Project Help from the community will share in this money and caused goods that were collected.

Ruth Jensen, Ola Jones, Nona Corzelius Joyce, Schroder, Dorothy Kinney, Dorothy Luckert, Lena Seitzer and Louise Anderson attended the CWU state assembly held at the First United Methodist Church in Urbana, Ill. Reports of the many meetings were given by Kinny, Jensen, Jones and Anderson. \$3,000 was collected toward building the chapel at the women's prison at Dwight, Ill., they said.

The topic of the day was "Women in Poverty," and Ola Jones was elected the Southwest Area chairman.

Board meetings of CWU are disbanded for the summer and will resume on Sept. 15 at the Central Christian Church in Granite City.

The Fall Forum will be held on Sept. 30 at the Second Baptist Church, 210 Illinois Ave.

The next project of CWU is the program on June 14 at Niedringhaus United Methodist Church, 20th Street and Delmar Avenue, called "Music, Music, Music" from 3 to 5 p.m. Tickets for \$2 may be purchased from representatives of churches or at the door the day of the performance.

Refreshments will be served following the program. Of the money collected, one-half will be sent to Dwight, Ill. for the chapel, one-fourth to the Granite City Chapel of the Salvation Army, and one-fourth to Mobile Meals.

Those in attendance at the board meetings were Dolores Allen, Louise Anderson, Mabel Gertsch, Ruth Jensen, Ola Jones, Mildred Jungels, Jane Kennerly, Dorothy Kinney, Flora Mae Lensing, Annabelle Patton, Lena Seitzer and Gladys Williams.

Elkettes club honors mothers, daughters

The Elkettes held their annual mother and daughter banquet, with 175 in attendance.

The table decorations were balloons and azalea plants. The azaleas were given away as prizes.

The Grishby Junior High School swing choir directed by Dolores Barker provided entertainment.

President Victoria Mertz led a business meeting. Chaplain Mildred Jungels gave prayer.

The meal was served by Jerry's Catering.

Karen Malottki to speak at Gateway BPW meeting

Karen Malottki, certified professional secretary, employed at Centerra Bank in St. Louis, will be the featured speaker at the June 15 general meeting of Gateway Business and Professional Women's Organization.

The dinner meeting will be at 6:30 p.m. at the Drury Inn in Collinsville, said Program Chairman Dorothy Elmore. Cost of dinner is \$9, and reservations must be made no later than June 10 by calling Elmore at home, 797-1347, or at work, (314) 554-8844.

Malottki will address the organization on one of the four Focus Issues, "Supporting Women in the Workplace" and will be accompanied by Barbara Bower, CPS, outgoing PSI president of Collinsville.

The other three Focus Issues, set as goals for this year by the state BPW convention, are "Pay Equity," "Changing Family" and "Involving Women in the Political Process."

Other speakers scheduled for the meeting include: Membership and Networking Chairman Donna Kimbro, Finance Chairman Ollie Derr, Community Affairs Betty Nugent, Legislation Chairman Ruth Nicholas, Young Careerist Chairman Marie Szymczek, Foundation Chairman Debbie Geggus and Public Relations Chairman Shirley Rapoff.

Each chairman will present a three-minute oral report on three topics, "What Focus Issue Do You Plan to Address?" "What Are Your Program Plans?" and "What Are Your Long Term Goals for Yourself in BPW and for Your Chairmanship for the 1987-88."

Malottki has been with Centerra Bank since October 1979 where she began as a secretary

for the Personal Banking Area. In January 1980, she was named executive secretary operations manager for the Retail Credit Area of the bank. She also supervises six employees in Credit Investigations, which includes Credit Investigations, Consumer Collections and other staff.

To receive the CPS award, Malottki was required to take a two-day examination covering economics, business management, business law, accounting, psychology and office procedures. It is a six-part examination, and all six parts must be taken or passed within a certain period of time in order to become certified.

Malottki has been a member of the Tri Cities Chapter of PSI since 1980 and has held various offices in the organization. She is the incoming president for 1987-88. In 1985, she was elected Secretary of the Year.

Malottki, a lifelong resident of Granite City, and her husband own a pharmacy in Edwardsville. They are the parents of two sons: David, 15, and Bobby, 8.

Matthew 7:18 "A good tree cannot bring forth evil fruit."

This is a positive statement. There is no way to misinterpret the meaning of Jesus' words. If the tree is good then the fruit will be good.

Let common sense tell you what Jesus means by fruit. It is the sum total of your reaction to life.

Here is where we must be truthful with ourselves. If we are good then our fruit will be good. If we are not good then our fruit will be bad. We may be sure that we are good, but we are depressed, angry, full of hostility, never kind or compassionate, our fruit is not good. This reveals to us the tree is not good.

This admission is the beginning of a good tree bearing good fruit. Give your life to God. Ask Him to make you what HE wants you to be and be fruitful unto God. Today.

Dr. and Mrs. Dale Walker

Missionaries to speak June 7

Dr. and Mrs. Dale (Alice) Walker, United Methodist missionaries in Indonesia, will speak at 7 p.m. June 7 at Niedringhaus United Methodist Church.

They have served in that country since 1963. In the fall of 1982, Dr. Walker began work in North Sumatra to help open a theological school there.

Mrs. Walker works in the areas of lay training and developing Bible study groups. She also handles correspondence associated with their work.

Starting in 1971, Dr. Walker has been teaching at the Sekolah Tinggi Theologia (Jakarta Theological College) in Jakarta, Indonesia.

It is one of the major interdenominational seminaries in that country, with both an undergraduate and a graduate program (100 and 40 students, respectively) leading to the doctor of theology degree.

Dr. Walker teaches Biblical languages, linguistics and social sciences. A minister, he works with the Methodist Church in the Jakarta area.

Of his work in the seminary, Dr. Walker says, "We are training people who will be leaders in the churches of Indonesia and we feel it is important that they are getting their training in Indonesia and not in the West."

Raised in Southern Illinois, Dr. Walker completed his undergraduate work at SIU, the bachelor of divinity degree at Drew University in Madison, N.J., and his doctorate of philosophy degree in linguistics at Cornell University in Ithaca, N.Y. From 1963 to 1970, he was involved in evangelistic and lay training in South Sumatra, Indonesia.

39's Card Club holds May meeting

Mercedes Grimm and Louise Kovar coshosted the 39's Card Club in the recreation room of Town and Country Apartments.

After a luncheon, card games were played and prizes were awarded to Evelyn Thompson, Kovar, Ruth Squires, Ruth Bauer and Hazel Lambert.

Others present were Millie Sherman, Mary Hanfelder, Doris Wood, Bea Onk, Evelyn Hamilton, Eleanor Hobson, Elsie Byrd and Hulda Davis. Doris Wood will host the June meeting.

Bob Richards guest speaker

Bob Richards, the Channel 5 television meteorologist, was the guest speaker at the Nameoki Women's Club final meeting of the year at Charlie's Restaurant. After a brief explanation of forecasting weather, he offered his services to answer pertinent questions from the audience.

Pearl Kennerly was inducted into the membership. Scholarship checks for art and music summer camps have been sent to the respective colleges for worthy Granite City students. The next board meeting will be held at Our Lady of the Snows on May 29, the president said.

Following the meeting, crazy bridge was played by members and guests. Mildred Branding chaired the committee which was also composed of Elsie Rodell and Marion Shelton. Prize winners were Rosulin Jenkins, Dolores Allen, Bernadine Cooley, Mae Butler, Ethel Beller, Virginia Warford and Becky Sate.

Others present were Blanche Blake, Mildred Jungels, Mary McCollum, Millie Meek, Verna Stuart, Irma Taylor, Ella Wade, Mary Werner, Dorothy Castle, Lisa Fanning, Burdine Holtscher, Ella Mae Harsh, Maud Graham, Rose Summers, Pat Box, Hazel Rollins, Nancy Wade, Mary Jane Wade, Beth Spengler, Helen Krumick, Corrine McCollum, Barbara Young, Dorothy Buente, Dee Rabe, Helen Tonn, Harriet Byers, and Amelia Ross.

Katie Hommert entertains club

Members of the Butterfly Club met for lunch at Katie Hommert's home in St. Louis and later went to the home of Katie Hommert, 2732 Michigan Ave., for dessert and an afternoon of pinocchio games.

A gift from Hawaii was presented by Harriet Hoff. She and her husband, Art Hoff, attended the wedding of their son, Eddie Hoff, in Hawaii in the spring.

Prizes were won by Edith Ryan, Lorraine McIlvay, Irene Willis, Juanita Rosenberg and Thelma Schmidt. Nell Talley received a special table floral prize. Others present were Hazel Rollins and Mary Lou Klassen. Rollins will entertain the group in June.

Minerva aids organizations

The Minerva Women's Club held its final meeting of the 1986-87 club year in the home of Jane Lybarger. The members voted to send monetary donations to the Boy Scouts, the Special Olympics, Meals on Wheels, Hospice, Phoenix Crisis Center and Project Help.

Fran Holt, next year's president, announced committee appointments for the next club year.

Members present were Beverly Benoit, Phyllis Brunatti, Cathy Busch, Helen Cook, Mary Dams, Shirley Goff, Marlean Manogian, Charleen Maxfield, Sarah Metcalf, Clara Parker, Margaret Rehagen, Mary Tarpoff and Ruth Thornberry.

DREW KARANDJEFF
Chairman

Q. I recently received an inheritance which I believe will be enough to give me a chance to start my own business. In discussing this venture with a friend he strongly suggested I talk with a banker before making any move or commitments. Why?

A. Your friend is giving you good advice. The two most often cited factors in succeeding with a business of your own are ability and commitment. The number one reason for failure is money ... the lack of it. By the time a new enterprise has run the course to the extent that lack of money is a critical problem, it is often too late for a banker to help. Usually, the time your banker can be of most assistance is in the planning stage of any new business. The more aware of the possible pitfalls of a business venture, the more likely you will be to avoid them or be prepared to conquer the problems. Your banker is there to help, whenever possible ... You Can BANK On It!

PLANTAR WART
A plantar wart occurs on the bottom of the foot. Walking pressure flattens the warts and covers the surface with calluses. Repeated routine pressure makes the warts grow inward; you feel pain when you put weight on your foot.
These small external tumors are caused by a papilloma virus, often contracted by stepping on a wet, abrasive, virus-infected surface such as the concrete surrounding a swimming pool or the floor of a shower stall. The warts are contagious and multiply rapidly.
Early podiatric treatment will reduce or destroy wart tissue with a mild acid medication. Alternative treatments include electrocauterization, curettage, and laser ablation. Choice of treatment depends on the size and number of warts.

THE LAW AND YOU
BY RICK REED
Attorney At Law

When a person is involved in an automobile accident, should he submit a claim to his own car insurance company? Many automobile insurance carriers now claim they are losing money, and several are raising rates and refusing to renew coverage on certain high-risk drivers. In a given case, a person must weigh the benefits of submitting the claim against the possibility of having higher premiums or facing cancellation.

Several years ago, automobile insurance carriers only raised premiums if a driver was at fault in a given accident. Many automobile carriers now claim that the position that if you use your insurance in any manner, this will be used as a basis for raising premiums.

For example, let's assume you are involved in a collision, and the other driver is at fault. Even though you were not negligent, you may find it necessary to submit a property damage claim to your own company. This could occur because the other company refuses to pay for your car in a timely manner or because the driver at fault was uninsured. Some companies who pay to have a car fixed in this situation will use this as a basis to raise the innocent driver's rates when the policy comes due.

A person who recently came to this office had been involved in three accidents in an 18-month period of time. None of the accidents had been her fault. The company indicated that her car insurance would not be renewed. The underwriter indicated that the company was in the process of reevaluating all drivers and not renewing people who were considered high-risk. The company representative stated that they were refusing to renew not only bad drivers but also drivers who were "unlucky."

It is obvious from this case that the less often a driver submits a claim under his automobile insurance, the more likely he is to keep his premiums at a reasonable level and maintain the insurance in force. It should be noted that the criteria for rate increases and cancellations will vary from company to company. Certainly, when one needs to use his automobile insurance, he should never hesitate to do so. Nevertheless, it seems to be the policy of some automobile insurance companies to have their agents sell the policy as cheaply as possible and then look for reasons to raise the rates at some later time.

One out of ten women will develop breast cancer.

How many will detect it in time?

Perhaps the two most frightening words to a woman are *breast cancer*. The number one killer of females, breast cancer is a disease caused by an uncontrolled growth of abnormal cells in the breast tissue. But with detection, effective treatment can be started immediately, therefore improving the patient's prognosis. The survival rate among women who find cancer before it is noticeable is 97 percent.

To answer the need for early detection of breast disease, St. Elizabeth Medical Center has established the *Breast Diagnostic Program*, which provides mammographies at almost one-fourth the cost of such procedures being done elsewhere. A convenient diagnostic procedure, mammograms provide patients with high quality, high sensitivity images with minimal radiation exposure.

Following the American Cancer Society's guidelines, this simple, painless exam is currently the best method of detecting breast disease. The ACS recommends all women age 35 to 40 have an initial, routine mammogram; diagnostic exams periodically between age 40 and 50; and yearly exams after age 50.

Scheduling for the general public will begin Monday, June 1, and will end on Friday, July 31. Normally, such a procedure would cost \$95 to \$100. Subsidized by the Gussie Glik Cancer Fund, this procedure is now available for a limited time for only \$25, which includes the interpretation fee. A physician's referral is required.

repairing the 27-year-old line, Granite City Steel discovered the line was so corroded it needed replaced immediately.

Both streets will need to be barricaded at times for the construction, Konzen said. The council granted the permit.

Konzen said plans are to block 21st Street for two days and one lane of 20th Street for one day. No dates were given on when the streets are to be blocked, but construction has already started.

Konzen apologized to the council for not giving the city more time to consider a construction permit, but he said the situation caught the company by surprise.

Jenkins

John W. Jenkins, 2442 Lynch Ave., died at Blessing Hospital in Quincy, Ill., on May 27, 1987.

He was born at the family country home north of Canton, Mo., which he still maintained at the time of his death.

Survivors include a son, Dr. Jon L. Jenkins of Sharon, Mass.; two grandchildren, Anne Lauren and John Michael Jenkins; two sisters-in-law, Louise Hemming of Granite City and Marjorie Morrison of St. Louis.

Funeral services were held in Canton, Mo., Saturday, May 30 with burial in Oakland Cemetery in Keokuk, Iowa.

Services held for Denise Toney, 28

Dr. Bob Jones conducted funeral services at 10 p.m. Monday at Thomas Memorial Mortuary, 2205 Pontoon Road, for Denise Toney, 28, of Granite City. She died at 10:09 p.m. Friday, May 29, 1987, at St. Elizabeth Medical Center.

She was a lifelong resident of Granite City.

Survivors include her parents, Mr. and Mrs. Earl (Pat Chandler) Toney of Granite City; two sisters, Mrs. Rodney (Patricia) Hayes and Mrs. Jim (Donna) Godair; a brother, Darrin Toney, all of Granite City; her maternal and paternal grandparents, Mr. and Mrs. Arlie (Goldie) Marsh and Mr. and Mrs. Emma (Amy) Toney, all of Granite City.

Burial was in St. John Cemetery, 2901 Nameoki Road.

Workshop tonight for teens, parents

GRANITE-CITY — Empathy, a peer-helper group at Granite City High School, and Parents Too, soon are co-hosting a two-hour workshop from 6 to 8 p.m. tonight in the auditorium at the high school, 3101 Madison Ave.

The workshop will deal with improving communication between parents and teenagers.

Guest speaker for the program will be Randy Moe, a member of Mental Health Services' counseling division. Moe specializes in family therapy.

Handout material will be available at the workshop.

discovered, and then repaired, several leaks in the line.

repairing the 27-year-old line, Granite City Steel discovered the line was so corroded it needed replaced immediately.

Both streets will need to be barricaded at times for the construction, Konzen said. The council granted the permit.

Konzen said plans are to block 21st Street for two days and one lane of 20th Street for one day. No dates were given on when the streets are to be blocked, but construction has already started.

Konzen apologized to the council for not giving the city more time to consider a construction permit, but he said the situation caught the company by surprise.

Cystic fibrosis benefit Saturday

On Saturday, June 6, the Mitchell Cystic Fibrosis Foundation run/walk-a-thon will be held at the Mitchell Athletic Field, East Chain of Rocks Road and Greenway Drive, from 9 a.m. until noon.

Food and drinks will be provided for participants.

Gifts will be awarded at the close of the event, and Cystic Fibrosis awards will be presented after collections are received, Maxine Duniphan, chairman, said.

Barton

(Continued from Page 1)

Six-month term delayed by judge

ically and mentally ill-prepared" for a jail term beginning June 1 and that he "has been offered substantial employment to begin immediately."

Barton asked that the jail term be dropped or changed to a time after he and his wife are better prepared for it and after he has had an opportunity to obtain and satisfy the requirements of the job offer.

Special Prosecutor Bruce D. Locher said Monday he will oppose modification of the sentence. Locher said he would be served by jailing Barton even for a short time.

Barton's request but offered no other comment.

Barton, an experienced pilot, has been offered a position with Midwest Flyers Inc., of 18 Terminal Drive, East Alton, in which he would direct flight and ground training department and oversee aircraft maintenance.

A psychologist's report filed with Barton's petition says he "has suffered enough and, indeed, he is suffering greatly now."

The psychologist, Samuel Bernstein, described Barton and his wife as "good, stable citizens." Bernstein said he believed no good would be served by jailing Barton even for a short time.

Bernstein said Barton and his wife depend on each other for emotional support and that Barton's influence is needed with his son, who has experienced emotional problems.

FAMOUS BARR

Serving our country

Granite City (Ill.) Press-Record, Thursday, June 4, 1987 — 1B

Jeffery McClery
Army Pvt. Jeffery McClery, 1709 Courtenay Blvd., a 1986 graduate of Granite City High School, left April 10 for his first duty assignment with the 24th Supply and Service Co., in Giessen, West Germany.

The soldier graduated from the Army's Basic Combat Training Program at Fort Knox, Ky., and also completed Advance Individual Training in the job specialty of his choice at Fort Lee, Va., prior to assignment overseas.

Young persons who can meet the Army's physical and aptitude standards may call Staff Sgt. Mark McMurray at 876-5950, or visit the U. S. Army Recruiting

Station at 3675 Nameoki Road. Information about the GI Bill Plus the Army College Fund in which a recruit can accumulate as much as \$25,200 for future college expenses is available from McMurray. He also has details about cash bonuses, skill training, educational aid, travel options and other benefits the Army has to offer today.

Jerry Shane

Jerry L. Shane, who is serving with the U.S. Army 10th M.A.S.H. Unit at Fort Meade, Maryland, has been promoted to the rank of specialist fourth class.

A 1984 graduate of Granite City High School North, Shane is the

son of Mr. and Mrs. Jerry L. (Jean) Shane Sr. of Pontoon Beach.

The soldier is the grandson of Mr. and Mrs. Augusta (Ruth) Shane of Granite City and Mrs. Eleanor Gagliardi of St. Louis.

Beth Kirkover

Navy Seaman Beth Anne Kirkover recently returned from an inactive duty training weekend at Oakland, Calif.

During the time there, she worked in a warehouse at the Naval Supply Center (NSC) Oak-

land, pulling issues to be shipped to various ships and commands. Kirkover is studying to become a naval storekeeper and presently is working with the Supply Unit at the Naval Supply Depot (NSD) Guam 118 at the Naval and Marine Corps Reserve Center in St. Louis.

A daughter of Mr. and Mrs. Danny (Dee) Kirkover, 212 Elm Ave., the reservist is planning to return to NSC Oakland in August for a further inactive training weekend.

Brian Breeden

Army Sgt. Brian L. Breeden, son of Mr. and Mrs. George R. (Ann) Breeden, 1307 Washington Ave., Madison, has arrived for duty with the 32nd Combat Support Hospital in West Germany.

The sergeant is a practical nurse. His wife, Susan, is the daughter of Jim Sanders, 1214 14th St., and Sharon Cook of Virden, Ill.

Dana Toussaint

Marine Cpl. Dana E. Toussaint, son of Mr. and Mrs. Harold E. (Jo A.) Toussaint, 2564 Westmoreland Drive, has reported for duty with the Third Force Service Support Group on Okinawa, Japan.

The marine is a 1978 graduate of Granite City High School.

William McFarland

Navy Officer Candidate Under Instruction William T. McFarland, son of Carey A. McFarland, 2300 Grand Ave., has been commissioned in his present rank upon graduation from Officer Candidate School (OCS).

OCS, located at the Naval Education Training Center, Newport, R.I., is designed to prepare students to assume the duties and responsibilities of commissioned officers.

During the 16-week course, McFarland studied the principles of leadership, manpower management techniques, navigation and communications.

He also studied Naval history, traditions and missions; the structure and organization of Naval commands; military courtesy; uniform regulations; seamanship and the Uniform Code of Military Justice.

Brian Pickens

Air Force 2nd Lt. Brian K. Pickens has participated in "Team Spirit '87," a Republic of Korea/United States Combined Forces Command sponsored exercise held in South Korea.

"Team Spirit" was the 12th in an annual series of combined/joint field training exercises staged to increase the defensive posture of the Republic of Korea and U.S. combat and support forces.

The exercise involved forces stationed in South Korea, as well as U.S. forces from other locations within the Pacific Command and the continental United States.

Pickens is the son of Bill E. and Carole S. Pickens, 2445 Pine St. He is a 1986 graduate of the U. S. Air Force Academy at Colorado Springs, Colo.

The lieutenant is squadron adjutant with the 60th Bombardment Squadron at Andersen Air Force Base on Guam.

BAC bill crosses hurdle

Guest comment by Collinsville Herald/Journal — A more representative election system for community college boards passed a second hurdle, this time in the Illinois House.

After getting approval in April from the House Committee on Higher Education, the bill was forwarded to the House floor where it was presented by Rep. Sam Wolf, D-Claremont.

Showing why he's the voters' favorite in the 11th District, Wolf easily handled questions from fellow House members and won their support.

In passing the bill, the majority of House members agreed to allow voters in community college districts to decide if they want their districts subdivided. Subdividing would allow community college board members to be elected from specified areas, rather than continuing the less representative at-large system.

"At large" and "representative" are contradictory terms in the Belleville Area College Dis-

trict. Rather than elections that result in board members representing diverse interests in an eight-county district, after the last BAC election all board members lived in one area of St. Clair County, which pays less than half of the district's taxes.

In Madison County, where a third of the district's taxes originate, and in the other six counties, no one was elected.

The "BAC bill" would allow the situation to be rectified in this community college district and in any other in the state where similar problems exist or arise.

We strongly support the legislation and applaud those members of the House — including Wolf and Rep. Ron Stephens, R-Caseyville — who gave it bipartisan support.

We look forward to its passage in the Illinois Senate, where, with Sen. Sam Vadalabene's sponsorship, a new page in education can be turned for this state's community colleges.

Use taxes in campaign?

No doubt there is some rationale for the persistent proposals for public financing of election campaigns, but it seems to us that better purposes could be found for the revenue paid into governmental coffers by hard-pressed taxpayers.

Illinois senators have just given 31-24 approval to Senate Bill 205, drafted by Common Cause and sponsored by Sen. Dawn Clark Natchez. It would provide partial public funding of gubernatorial elections and would place limits on campaign spending by candidates for governor and lieutenant governor.

The funding device would be a \$1 voluntary checkoff on state income tax forms. This sounds harmless but it would compete with several health and conservation programs that currently benefit from checkoffs.

Matching grants are proposed. Candidates who raise at least \$100,000 in contributions of \$500 or less would qualify for matching funds for all private contributions of \$150 or less, with a cap of \$1 million in matching payments for the primary election and a limit of another \$1.5 million for the general election.

Total campaign spending by those receiving partial public

funding would be limited to \$2 million in the primary and \$3 million in the general election.

The sweeping legislation also would restrict the size of gifts to all candidates, whether or not they request matching dollars. Contributions for each election would be limited to \$1,000 from individuals, \$5,000 from political action committees and \$35,000 from personal family funds. Political party contributions would be limited to \$10,000 from individual units in the primary and \$250,000 collectively for the general election.

Perhaps some of these limitations might be worth trying, but Gov. James R. Thompson may not be convinced; twice he has vetoed public election financing bills.

Our guess is that he is satisfied with existing rules; after all, he is the only person ever to win eight Illinois gubernatorial elections (four primaries and four general elections). Whether the public is satisfied with the present procedures is another matter, but little proof has been offered so far to back up Sen. Natchez's contention that the governor's office can be bought with huge campaign contributions.

Dilemma in selecting ICC

Voters nearly always make sound decisions, although sometimes this isn't immediately apparent. But we are not sure that direct election is the best way of choosing members of the Illinois Commerce Commission, an idea that passed the Illinois House, 63-46.

The view of many legislators and consumer advocates is that election rather than appointment would result in commissioners more attuned to public sentiment and more unfriendly to utilities' rate increase proposals.

This may well be true, but it seems possible that the ability to evaluate complex cost arguments might not always be matched by one's ability to campaign effectively for the office.

Some sort of middle ground might be ideal, but we don't know what it would be. Most people want reasonable utility bills, but when they go to turn on a light switch or stove or air-conditioner, they prefer reliable service. Utilities deprived of adequate funds might be much less dependable.

Letters

Where have the parents gone?

To the editor: What is wrong with our children today? Why are they drinking alcohol, using drugs, becoming pregnant, killing themselves? Perhaps the question is not what's wrong with them, but: What's troubling them so?

I'm writing to citizens, via your newspaper editor, because when I came to talk to you about issues troubling teenagers and how we could help them, you weren't able to make it. I'm sure you had a schedule conflict.

I certainly realize how difficult life seems and how overwhelming parenting can be. As a counselor, trainer and citizen, I frequently hear adults talking about the frustrations and problems they have with their children and teenagers.

It seems that parents don't understand teenagers and are frustrated with not knowing how to help them. I would think this confusion and frustration would result in parents jumping at the opportunity to get some help, particularly if it's free. I mean, what's more important to parents than the welfare of their children?

In recent months I have scheduled or presented five programs to assist parents in improving their relationships with their children. Of a potential audience of thousands, a total of 40 parents attended.

In the case of our coaches' seminar, aimed at enhancing the skills of volunteer coaches to promote confidence and positive self-image for the players, the score was: program, terrific; attendance — 10.

To explain this, I initially wondered if we had forgotten to invite parents. That didn't seem logical since 4,000 invitations were sent to individuals and there were announcements in the local media.

Perhaps it was a scheduling problem. No, the presentations were held on week nights, after dinner and close to people's homes. I became discouraged with guessing what had happened, and decided to write and see if you know. On the bright side, I did get to talk to 900 teenagers in two presentations. We talked about positive attitudes, liking themselves, taking control over their lives, becoming responsible, and other issues that are important to enjoying life.

The teens reacted with great enthusiasm. They wanted to talk, they wanted to learn, they wanted some help figuring out how to deal with the stresses and strains of life. They asked the planners to do this again soon. The teens also talked of how unhappy adults seem to be and how adults were constantly complaining, finding fault and feeling frustrated. You don't suppose adult attitudes could be bothering today's young people, do you?

The teens who participated had much to say and questions about all kinds of issues. I'd heard adults say that teens don't want to talk to them, they don't want adult opinions; they know it all. And, by the way, where do you suppose

they learned the "know it all" attitude? Why would they talk to a stranger when they have parents at home who want to hear their opinions and problems? Or, maybe parents aren't so willing to listen. Maybe they are more interested in telling than listening.

Could that be what's bothering teens? Please understand that the intent of this letter is not to blame or inflict guilt, but to challenge parents to evaluate how much time and energy they put into their parenting, a job that has more responsibility and less training than their other job.

There is no doubt that being an effective parent is difficult, challenging, confusing and incredibly important. We, in the business of trying to help parents, understand how hard your job is. What we don't understand is why you avoid opportunities to learn how to improve the quality of your relationship with your child.

Nobody expects parents to be all-knowing, all-powerful or perfect. What young people expect of parents is that they show up, and do the best they can. For us, if the business of trying to help parents, we'd be delighted if you just showed up.

I started this letter with the question of what's bothering today's teenagers. My answer is that they need you; they need your time, your patience, your understanding, your guidance. They need to be important to you.

Take time to consider how much thought, planning and effort goes into developing your most valuable investment, your children.

Then do something to help that investment mature. Please don't be concerned about having missed out on the presentations. I mentioned above, because we parent helpers will be back, and we'll keep coming back in every state, city, and community until we get heard.

We believe in you, and believe in the power of your children to make this world a better place for all of us.

New truck, bus safety law needed

By John Archer
of the AAA

The American Automobile Association, serving 27.6 million members, enthusiastically endorses S. 861, the Truck and Bus Safety Act of 1987.

The ghastly truck-bus accident May 4 in Beaumont, Texas, again illustrates the continuing need for this type of legislation.

The existing exemption from safety regulations for large trucks operating in "commercial zones" needs to be eliminated. It is outrageous that heavy trucks and their drivers can operate in major congested metropolitan areas without meeting basic federal safety rules. Ironically, this exemption permits unsafe trucks to operate on accident-plagued highways even though the same trucks would not be permitted on less dangerous, sparsely-congested interstates.

We also are pleased that the bill would require the Transportation Secretary to initiate rule-making proceedings requiring on-board monitoring devices for large trucks, measuring their speed and hours of operation.

Fatigue is believed to be the probable primary cause of 41 percent of heavy-truck accidents.

A study shows many drivers are pushing beyond the limits of human endurance, endangering themselves and other highway users.

The cause of many accidents cannot accurately be measured, nor hours enforced, because present hours-of-service information can be found only in log books, which are often a work of fiction.

In addition to the lifesaving gains from reduced deaths and injuries, other helpful byproducts of on-board recording devices would include lower insurance premiums for trucking companies and diminished unfair competition within the trucking industry by those violating hours requirements.

The proposed rule to improve braking performance standards is a welcome relief for the millions of motorists who daily share the roads with huge trucks, which can weigh 80,000 pounds or more.

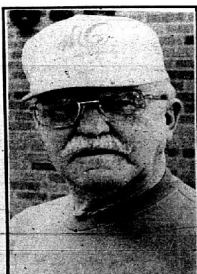

The technology for antilock brakes has been developed and tested and is being used in Europe. Why can't it be implemented in the U.S.?

The trucking industry should be required to prove that brakes on large trucks cannot be vastly improved. If no such proof is forthcoming, better truck brakes should be mandated immediately.

Should AIDS be tested for?

President Ronald Reagan recently announced his AIDS testing proposal, which has resulted in much controversy. The plans call for the testing of all federal prisoners, all immigrants coming into the country and all couples who plan to marry. What do you think about the proposal? Do you think it is fair to single out these specific groups for testing?

Taxing times in Springfield, Metro East

These are trying times — times that tax our nerves and patience — as officials consider whether to boost Illinois taxes.

Gov. James Thompson, the chief proponent of tax increases, said Tuesday he has not given up but conceded the odds are against General Assembly action.

What would be the impact on this region? Part of the answer was given this week by Edward Duffy, Illinois Public Aid director, and Ted Funkhouser, administrator of the local office.

They said Madison County could lose over \$4.1 million in public aid funds in fiscal 1987-88 if the governor's tax plan is not enacted.

Funkhouser said, "Our county will no longer receive \$300,000 in dental services for aid recipients. Long-term care research and demonstration grants of \$28,700 will be eliminated. Pharmacists may only be reimbursed for generic drugs. The county could lose \$165,300. And about \$3 million in medical payments will arrive later than normal at area hospitals, doctor offices and offices of other medical providers."

The county's public aid administrative resources could be reduced by \$262,400, he added.

Duffy said, "Those local governmental units receiving state funds for their General Assistance program will have to increase local taxes or cut GA."

"An element of the governor's welfare reform proposal is a cost-of-living increase for recipients of Aid to Families with Dependent Children. If there is no state tax increase, Madison

Regional Roundup

By Bill Winter

County will lose \$289,600 in increased ADC benefits. Statewide, the Department of Public Aid '87-88 budget will be reduced by more than \$260 million."

On Monday, 2,000 citizens from every part of the state joined in calling for increased state revenue. So, what is the problem? Legislators believe most taxpayers don't want higher taxes this year. No pleas by educators or others, no matter how eloquent, are changing the lawmakers' minds.

The state administration didn't help its case by its 1986 campaign stance: It wasn't ruling lands beyond state borders, but contended times were going rather well. It was only after the election that the executive branch took a dimmer economic view.

Taxation, of course, is not the only governmental issue being debated. For example, should 3,000 acres of Wood River wetlands be retained to help wildlife or should it be filled in and used for parking or some other purpose?

This brings to mind a once-popular song that said, "They paved Paradise and put in a parking lot. In any case, the topic will be discussed by the Sierra Club's Piasa Palisades

Group at 7:30 p.m. Monday, June 8, at Alton's First Presbyterian Church, Fourth and Albany streets.

Dr. Ken Lubinski, director of the River Science Center in Grafton, will discuss the "grassy lake" area's ecosystem.

City officials in Wood River, Collinsville, Alton and East Alton say they can no longer afford to subsidize Circuit Court satellite operations due to the wear and tear on their municipal buildings.

They note the loss of federal revenue sharing and say that even the volume of court fines that they receive is declining.

Circuit Clerk Willard Portell said the area courts, which date back to 1965, are a cost to his department as well: to the tune of \$375,000 a year, but Portell added that ending them would not benefit the public.

Chief Circuit Judge Philip Rarick said cities in only two of the 102 counties, Cook and DuPage, charge rent for space occupied by courts. He said he has assigned bailiffs to all the courts to help keep them in good condition.

County officials said they will consider whether the county can help meet some of the cities' court-related costs.

Must every bit of news relate to money? Yes, at least this week.

Missouri increased its gasoline tax by four cents per gallon, June 1. The same day, the McKinley Bridge, auto toll — to cross the Mississippi River between Venice and St. Louis — was changed from 30 to 50 cents.

At Moore Park was the 17th annual dedication of the Bill Parker Grove and the naming of individual trees in honor of influential Alton citizens. Simon used the opportunity to espouse some of his beliefs and explain what he considers to be the major issues in the campaign for the White House.

After an introduction from Buddy Davis, director of District 34 of the United Steelworkers of America, Simon spoke to the crowd of several hundred.

He said that whatever he has been able to contribute in public life was because of the voters who gave him the opportunity. He cited Gordon Moore Park as an example of citizens, labor unions and the legislature working together.

Moore Park is a 704-acre tract of rolling hills off Illinois 140 southeast of Alton was developed into a park through the persistence of the late Dr. Gordon F. Moore, an Alton physician. Its complex of soccer, baseball and softball fields is administered by the city of Alton, currently under construction with the cooperation of the U.S. Army Corps of Engineers in an 18-hole championship golf course.

Bethalto airport gets \$6.2 million from state

Civic Memorial Airport, Bethalto, will receive \$6.2 million as part of the state's \$50.4 million plan to upgrade the state's public airport system, said Greg Baise, Illinois transportation secretary.

The money will be used to extend the main runway to 8,100 feet, overlay the crosswind runway and construct a new apron and taxiway pavement for corporate use.

Awareness of AIDS changing lifestyles

A survey by the Illinois Department of Public Health has shown that levels of AIDS awareness and understanding in the state, including behavior changes among singles, have made impressive gains since the first survey last January.

Among the survey findings are: a higher percentage of singles report they are reducing the number of partners and taking more care in the selection of partners; more singles are now using condoms. 46 percent compared to 29 percent in January; more people are calling the state AIDS hotline, 1-800-AID-AIDS; and public understanding of the basic concepts of AIDS transmission and prevention has risen while public misunderstanding of the disease has declined.

State lacks asbestos plan, Hartigan says

Attorney General Neil F. Hartigan and Senate President Phil Rock have launched an effort to identify and combat the dangers of asbestos with the help of 60 authorities who met in Chicago to draft a

Repeat drunk driving bill passed by House

Secretary of State Jim Edgar has hailed passage of a tough new repeat drunk driving bill by the Illinois House. Representatives approved HB 2700 on a 99-8 vote and sent it to the Senate. Edgar said the proposal would "help rid highways of some of the most dangerous drivers those who continue to drive drunk after previous convictions. It can help stop senseless killing on our highways."

Under the legislation, persons convicted of DUI for a second time would face a minimum mandatory five-year driver license revocation while those convicted a third time would lose driving privileges for at least 10 years.

Hartigan said that although asbestos is a known cause of cancer, the state has had no plan for dealing with the possible existence of asbestos in the 3,000 state buildings. The latest version reflects buildings and thousands of schools and private buildings. About 381 of 6,889 Illinois school buildings have been inspected to date and a third of them contain asbestos, he said.

New highway map is now available by mail

A free state highway map for 1987-88 is now available to the public. The latest version reflects recent changes made to the highway system and includes a new blue pine tree symbol to locate tourist information centers. Maps can be obtained by writing to the Illinois Department of Commerce and Community Affairs, Office of Tourism, 620 E. Adams St., Springfield, Ill. 62701.

48% of DUI offenders are problem drinkers

The Illinois Department of Alcoholism and Substance Abuse says that — based on DUI alcohol and drug evaluation program annual reports of 54,506 evaluations conducted on offenders last year — 19,455, or 36 percent, were found to be non-dependent but problem users of alcohol or other drugs. About 28,328, or 52 percent, were classified as non-problematic users, while 6,725, or 12 percent, were found to be dependent, problem users of alcohol or other drugs. Eighty-eight percent of the offenders were male, while 12 percent were female. Only about 1 percent of the offenders evaluated were 17 years of age or younger.

Law cracks down on incompetent doctors

Gov. James R. Thompson has commended the General Assembly for approving legislation that he says will help rid the medical community of incompetent doctors by strengthening the state's system of disciplining physicians.

Among the provisions are: lengthening the statute of limitations for disciplinary investigation and action; allowing greater access by state investigators to

In addition, a third DUI conviction would become a Class 4 felony carrying a 1- to 3-year prison term and a \$10,000 fine.

The current penalty for a DUI conviction is a one-year loss of license regardless of the number of offenses. The criminal sanction for two or more convictions is two days in jail or 10 days of community service.

"Although Illinois has one of the best drunk driving laws in the nation, it is not tough enough on repeat offenders," Edgar said.

"It is not fair that someone who chooses to flout the law again and again should receive the same penalty as a first-time drunk driver offender."

patient medical records; establishing review panels to review complaints and mandatory reports; developing a roster of physician experts to screen and testify on complaints; and requiring hospitals to aggressively search out any previous action taken against a physician's license.

Rabies on increase; new cycle predicted

During the first five months of this year, the number of animal rabies cases in Illinois has increased 56 percent compared with the same period last year, said Bernard J. Turnock, director of the Illinois Department of Public Health.

This appears to be the beginning of an upward trend that is expected to continue because the incidence of rabies is cyclical and peaks about every eight years. This year so far, 25 cases have been reported during the same period in 1986. Pet owners are being urged to have their animals vaccinated and guard their animals against contact with skunks, primary carriers of rabies. When rabid, skunks may appear friendly or ill and approach people during daylight hours.

Sparkler sales ban continues at stations

Sales of sparklers, smoke balls, "snakes" and other fireworks are prohibited at gasoline stations and at combination gasoline-convenience stores, said Kenneth L. Race, deputy state fire marshal for fire prevention.

Race said illegal sales have already been reported to his office despite a law in effect since 1965 that bans the sale of such fireworks items which require ignition to produce an audible or visual effect or display.

Governor heads visit to auto executives

Gov. James R. Thompson led state officials May 26 to Detroit to meet with automotive industry leaders from Chrysler, Ford, General Motors, AMC and more than two dozen domestic auto parts suppliers to reinforce Illinois' willingness to encourage automakers implement their long-range plans.

"With new materials and techniques drastically altering automotive assembly, it is essential that Illinois keep in touch with the executives who make the all-important decisions about expansion and investment," Thompson said. "This type of informal meeting goes a long way to ensure that the state does not miss future opportunities."

'Showcase' displays performing talents

"Showcase," a student-produced review will display the talents of 36 students at SIUE Thursday through Saturday, June 4-6.

Other students will be working backstage in the 8:15 p.m. performances at the James Melcal Student Experimental Theater.

"Showcase" is a cooperative venture and fund-raiser for the SIUE Student Experimental Theater Organization and SIUE Opera Players. The performers have been active in music, drama and dance activities on campus and in the community.

The 18 production numbers will include original composition and also songs from such musicals as "The Fantasticks," "Little Shop of Horrors," "Mack and Mabel" and "Lady in the Dark."

Reservations are advised and may be made by calling 682-2773. A \$2 donation is requested from those attending.

The performance Thursday will be interpreted for the hearing-impaired in the audience by Jill Dvorchak of Wood River.

Parents Club plans activities for June

Parents Without Partners Granite City Chapter 470 has announced programs and activities for children and adults in June.

Volleyball will be played on June 8, 15, 22 and 29 at 6:30 p.m. at Wilson Park. There will be an Amigo meeting on June 9.

The general meeting, an orientation, will begin at 7:30 p.m. June 24 at the Day Hall, 1417 19th St.

All single parents are invited to attend the general meeting and for information may call 931-3398.

NINE CONVENIENT LOCATIONS

Even non-bowler will enjoy 'hands on' hall of fame

By Pamela Seibert
Journal correspondent

"Hands on" might be the best two words to describe the National Bowling Hall of Fame and Museum in downtown St. Louis.

"The bowling museum is unusual that it is set up for a hands-on type approach," says Mary Miklasz, public relations director for the museum. "At most museums, you look but don't touch. Here, we feel we've made it more interesting, especially for children by allowing them to actually get involved."

Even if you don't happen to be a bowler, there's still a lot to enjoy at this museum, Miklasz says. In addition to the thousands of memorabilia items on display, the museum offers such attractions as the Oldtime Bowling Alley. Here, in four antique bowling lanes, visitors may try their hand at the sport using equipment of a bygone age, including 90-year-old lignum vitae (wooden) balls. Keeping the historical context, the pins from these antique lanes are set by hand.

Side-by-side with the old lanes are four modern ones, where, for the modest sum of \$1, visitors may roll a few balls, appreciating the very latest in bowling

technology demonstrated in the lanes.

This modern bowling museum, opened three years ago, is also equipped with the latest in computers and videos to enhance any visit. At Star Talk, enthusiasts can punch in the prescribed keys whereupon the selected famous bowler appears on a video screen and talks about his or her career, giving tips and illustrating comments with clips from old footage. No matter who your favorite famous bowler may be, chances are he will be on video at the museum, Miklasz says.

Another popular item is a section called Hometown Heroics. This computer center honors every bowler around the country who has been elected to local and state Halls of Fame, or who has achieved other bowling honors. For out-of-towners this is especially fun, Miklasz says, adding, "They can find out everything they always wanted to know about prominent bowlers from their home towns."

Part of Hometown Heroics is a "bowling trivia," where you can test your knowledge of the game.

For those who are interested but who have never had the opportunity to see how a television show is produced, the muse-

um offers nine video screens which present three-minute programs illustrating how a television network (ABC) produces the Pro Bowlers Tour program shown on Saturdays. The viewer may observe not only show host Chris Schenkel at work, but also the fast pace of events going on behind the scenes.

Perhaps the best part of the museum is Tenpin Alley, says Miklasz. This consists of a large ramp running between the main and second floors of the building, and is in itself a literal walk through bowling history.

"Bowling is said to have originated in Egypt about 5200 B.C.,"

she says. "Tenpin Alley traces not only the development of the game, but also how it appeared in religious activities and politics."

In the days of Mediaeval Germany, a person could receive absolution from his sins by successfully lobbing a ball against a couple of bowling pins, she says. Early England prohibited the playing of the game because kings feared a preoccupation with the sport would result in lessened interest in archery, thus influencing the outcome of wars.

Although bowling still was around and brought to the United States by early Dutch settlers, the game (then called Nine-pins) was forbidden here, too, as a missed pin might generate foul language, or worse, bowlers might become belligerent.

Nonetheless, as this interesting museum attests, the game has survived, due to the addition of one more pin, making it Ten-pins. This circumvented the law, and the game has since had a definite role in social, recreational and economic development of the country.

Families return from ocean cruise

Mr. and Mrs. Donald (Virginia) Huckle of Columbia, Mo., are announcing the birth of a son May 25 at Boone Hospital in Columbia. He weighed 7 pounds, 5 ounces, and has been named Dew Ryan. He has a brother, Neil, 7 years old, and a sister, Leslie, who is 5 years old.

Paternal grandparents are Mr. and Mrs. Vincent (Mary) Huckle of Madison and maternal grandparents are Mr. and Mrs. Jim (Josephine) Feldpausch of Caseyville.

Mr. and Mrs. Jerry (Connie) Grupas and Mr. and Mrs. Rudy (Eva) Majkut, all of Madison, have returned from a one-week cruise aboard the Song of Norway.

Ports visited were Cozumel, Mexico, Grand Cayman Island, Ocho Rios, Jamaica, and Labadee, Haiti.

Scuba diving, snorkeling, parasailing and shopping were enjoyed. They also climbed the Dunn's River Falls in Jamaica.

St. Ann's Altar Society of St. Mary's Church in Madison held its monthly meeting on May 26.

Madison-Venice News

by Kathy Dohall
877-1096

President Kathryn Butkovich opened the meeting and Chaplain Betty Bulva led the group in prayer.

Dinner will be held to celebrate the Feast Day of St. Ann on Tuesday, July 21, at Engelbert Hall. Members who have not made reservations may call 877-4988.

Father Jim Keefner reported on the annual church festival June 19, 20 and 21 to be held on the parish grounds. Announcement was made of the retirement of one of the school cooks, Mary Ann Bunk. This was the last regular meeting until September.

Games were played. Dessert was served by hostesses Frances Paskew, Vickie Perjak, Mary Pogorelec and Mary Rogenski.

Others attending were Ida Dant, Winnie Sasyk, Vera Sikora, Mildred Shifter, Mary Gotszian, Ella Crnkovic, Ceil Kowalczyk, Anna Kowalczyk, Helen Papa, Lea Lupa, Eva Berz, Mary Bunk, Elsie Kmetz, Seale Wojcik, Genevieve McClure, Patricia Lee, Anna Wenc and Mary Sabol.

Mr. and Mrs. James (Ann) Redman of Madison are announcing the birth of their son, Matthew, born on May 18. The baby girl has been named Tasha Anna and she weighed 6 pounds, 5 ounces. Parents are Mr. and Mrs. Jimmy Redman of Paducah, Ky. This is their first child.

St. Mary's-St. Mark's school children presented a musical program, "Down by the Creek Bank," at Engelbert Hall on May 27 at 7 p.m. A welcome was given by Michael George.

Students having speaking

parts and solos were Markelle Hill, Anne Amisch, Anastasia Spiff, Cindy Scaturro, Jennifer Romanic, Kristin Yoboy, Leslie Cicio, Krista Ballew, Allison Papa, Angela Ladd, Judith Hoover, Andrea Rodriguez, Erica Shabo, Michael Laevniak, LaJada Coley, Michelle Petrosky, Jason Petrofsky, Rebecca Petrofsky, David Levy, Michele Thebeau, TiCarol Smith, Wesley Jackson, Lori Glasper, Philip Brinker and Toraine Bringer.

A percussion team consisted of Donnell Stidum, Greg Volosko, Mark Griffin, Chris Hartman, LeRon Adams, Sherry Simpson and Tony Malhegke.

Mrs. Janet Hogan is the music director and teachers are Sister Mary John, principal, and Mrs. Becky Cooper, Mrs. Sharon Gach, Mrs. Mary Lou Rogenski, Sister Joan Wolf, Mrs. Janet Warren, Miss Joanne Apida, Miss Janice Harding, Mrs. Peggy Scharf and Miss Jacqueline Cacketha. Ceil Kowalczyk did the programs.

Gabriel Shrine honors mothers

Gabriel Shrine 78, Order of the White Shrine of Jerusalem, honored mothers at its May 14 meeting. Officers present were Sister Judith Jordan, Earl Johnson and Guyula Stuart.

Donna and Henry Thomas presided as worthy high priestess and watchman of shepherds. Past officers for the evening were Hal Barnett of Gaspar Shrine, Charles and Mary Keef of Mount Olive Shrine, John Johnson of Pride of the West Shrine, Ruth Cox, Paul Revere Shrine, Evelyn Nane, Karmyn Edmonds, Oco Woods and Dorothy Watkins, all of Gabriel Shrine.

The dining room was decorated with floral arrangements and each lady was given a gift and a potted plant. A pot luck dinner was enjoyed by approximately 60 members and guests. Serving in the dining room were Mary French, Shirley Schwendemann and Ronna Daily.

Two new members were initiated and welcomed. They were Ann Priener and Gary Daily.

Pontoon Baptists honor Craycrafts

Junia and Ralph Craycraft, who have been pianist and choir director of Pontoon Baptist Church for the last 12 years, tendered their resignation as of June 1. They were surprised Sunday evening at a monthly celebration of anniversaries when the congregation presented them with a set of patio furniture, cards and a large decorated cake.

Others celebrating anniversaries were Ben and Lula Frost, 40 years, Lynn and Carl Pierce, 20 years, Thomas and Lucille Martin, 62 years, and Dorothy and Richard Rayner, 22 years.

Andrew DuSuzza and Barbara Rigby observed birthdays. The church quartet composed of Ralph Craycraft, Lesley Chaney, Kevin Kerr and Gary Chaney sang a couple numbers, and Larry and Frances Brake, Barbara and Larry Rigby, Barbara and Gary Chaney, Linda and Don Boswell, Elizabeth Wood, John Bradford and the Rev. and Mrs. Kevin (Joyce) Kerr.

Returning from a camping trip to Vandallia Park were Dean Boswell, Phyllis Chiff, Patty and Jenny Warren.

Rev. and Mrs. Kevin Kerr returned Saturday from Kansas City, where they attended the 50th wedding anniversary of Ken and Lois Butler. Kerr sang two numbers, The Lord's Prayer and Twelfth of Never.

Rev. and Mrs. Kevin Kerr returned Saturday from Kansas City, where they attended the 50th wedding anniversary of Ken and Lois Butler. Kerr sang two numbers, The Lord's Prayer and Twelfth of Never.

Bryan and Dee Owens and daughter, Melissa, attended the annual reunion of the Forgy

family in Ava, Ill., last week.

The Pontoon Senior Citizens met Saturday evening for a pot luck dinner. The blessing was given by Jean Hortsmeeyer.

Others attending were C.A. Hortsmeeyer, Jennie Wilson, Robbie Wilson, Floyd Ridgeway, Mary and Harry Dorch, Cordell Fisher, Viola Atkins, Balaska Bringer, Stanley and Loretta Golab, Dominic Scaturro, Challice Grady, Karmyn Edmonds, Joseph Fisel, Glenn and Leola Tucker, Pauline and Art Dunn, Joy Rowland, Clara and Wilmer Winter, Helen Niepert, Lee Ridgeway, Lowell and Ida Ferguson, Gladys and George Bass, Laura Low Purcell, Edna Webster, Gladys Freeman, Thelma Martin, Nola Heinley, Ruby Hockings and Lucille Martin. Prizes were given to Joe Fisel, George Bass, Pauline Dunn and Wilmer Winter.

Mr. and Mrs. Art Dunn of Patton, Mo., former residents of Pontoon Beach, visited their children and friends in this area the past week.

Dan, Cookie, Bryan and Diane Moody, Louise and John Moay, and Bill and Betty McCumby have returned from Lebanon, Mo., where they visited with Myrtle and Jack Moody.

Mr. and Mrs. Roy King of Division Street returned home from Houston, where they visited the son and daughter-in-law, Mr. and Mrs. Kenneth King.

High Ridge, Mo., hosted a dinner party for family members who attended the son's graduation. Guests included the graduate's husband, Mike Miller, and daughter, Dana, her brother, Ron Linder and the Schiebs.

Mrs. Fern Corey, 205 Lenox Ave., had her grandson, Philip Schloss, Claremore, Okla., here for a visit last week. Schloss, son of Mr. and Mrs. Bill (Jean) Schloss of Claremore, just graduated from high school there and enlisted in the Marine Reserves. He has several relatives in this area whom he visited before leaving for the Marine training camp.

Among the many activities at the Mitchell School in the closing days of the school year were a sports day event, a picnic, and a student-teacher softball game. Congratulations went to Mrs. Clabbe Briggs, physical education instructor, and her fifth and sixth grade students, who were selected to represent Mitchell School in the district sports day. Thirty-three Mitchell students earned ribbons in the two-day competition.

On May 28, following the picnic, a selected group of students versus the teachers played their annual softball game. This year, the teachers won 11 to 4. Several Mitchell students also participated in the science fair held at Maryville School May 14.

Student of the week honors this week went to fourth grade students Tara Bramer, Ryan Cooley, Clint Briggs, Amy Lamm, Kim McNeill, Jamie Mudd and Heather Walker.

What kind of father lets his kid work for nickels & dimes?

A father who realizes that a newspaper carrier route can reward a youngster with much more than spending money.

It can teach the sweet satisfaction of self-reliance and paying your own way. It can teach a lot about people, about getting along with fellow workers, about bosses, and about what you owe customers and what they owe you.

It can teach pride, responsibility and hanging in there when things go bad and doing a right thing.

If you'd like this for your youngster, suggest that he or she call our circulation department and ask about a newspaper route.

Oh, and about the money: in this job the nickels and dimes very quickly add up to real dollars.

bers were first-place champions of Region 5 for 1980, 1983 and 1986, led by Director George Holtzsch, who will be directing them in the 1987 international chorus competition in September at Hawaii.

The group sang several selections from "Alice in Wonderland" in an off-Broadway style, in barbershop harmony. It also performed straight barbershop harmony.

Louisa Hall, of rural Mitchell, has received word that she is the great-grandmother of twin boys born to Mr. and Mrs. Brian Duffield, Champaign, Ill., May 3. The babies have been named Carl James, who weighed 2 pounds 15 ounces, and Travis Lee, who weighed 2 pounds 7 ounces. They were born in the Carle Foundation Hospital in Champaign, where they will remain for two to three weeks longer.

The father is the son of former Mitchell residents, Mrs. Carol Taylor, Tolono, Ill., and the late Carl Duffield. Mr. Duffield was a member of the Mitchell Volunteer Fire Department before he died in a house fire in the 1970s.

Mr. and Mrs. Jim (Jerri) Seheib, 4929 Mueller Ave., moved to Hillsboro, Mo., for the graduation of Mrs. Schiebs' niece, Debbie Miller, who graduated as a registered nurse from Jefferson College in Hillsboro May 19 and began her career at the Jewish Hospital, St. Louis, May 28.

Mrs. Miller's parents, Mr. and Mrs. Ron (Charmaine) Linder,

Road to Springfield has 2 more roadblocks

By Dave Whaley
Executive sports editor

The first couple of major roadblocks on the Road to Springfield have been bypassed. Two big ones remain.

The Warriors earned their championship in the Edwardsville Regional, outscoring three opponents 28-7. The pitching of Darin Hendrickson and Scott LeVault was much more than adequate and the bats fell silent in midseason as certainly back in full swing.

Monday's 8-4 triumph over top-seeded Edwardsville in the regional final was ultra-satisfying for everyone associated with the Warriors. As the Warriors arrived for the semifinals against Jerseyville last Saturday at Center Grove Field, the Tigers were just wrapping up their win over Roxana.

Granite City players watched as the Tigers took their traditional laps around the infield and had a few comments to make. It was obvious they wanted another meeting with Tom Pile's team.

"I thought they all wanted another shot at Edwardsville," coach Bob Stegmeyer said. "And I was confident we could play with them. We played well. Our pitching wasn't quite as good as it has been, but Darin completed well. He hung in there and didn't walk anybody."

In three regional games, in fact, Warrior pitchers walked only one. And that was in the first inning of the Civic Memorial game. After that, Hendrickson, LeVault, and Mike Krausz gave out no free passes.

Monday's win set a new school record for wins (28) and gave Granite City its first regional crown since 1981. But more importantly, it sent the Warriors into this week's sectional, which will be played at Varsity Field. The Warriors were 20-4 on their field this year.

First up is Triad. The Knights (30-4) will face the Warriors at 10 a.m. Saturday at Varsity Field. Then Carbondale (19-11) will face Belleville East (19-11) approximately 30 minutes after the conclusion of the first game. The winners will meet at 4 p.m. Monday to determine who will make it to the state finals in

Springfield next Thursday and Friday.

Admission to the sectionals is \$3 for adults, \$2.50 for high school students, \$2 for grade school students and children under 6 will get in free.

The Warriors started the year 15-2, then lost five of seven as the bats went cold. Since then, they are 11-2, with the only losses coming the second games of double-headers.

In addition to the pitching, everyone is contributing on offense. Tim Hogan is hitting around .360 with 32 steals. He has struck out only four times in 137 trips to the plate and has scored a school-record 41 runs.

Jamie Hogan is at .275 after a slow start with 26 steals and 20 RBIs. Todd Adamitis is at .355 with a team-leading 29 RBIs, and he made two scintillating catches in left field to cut off Edwardsville rallies.

Tim Patterson is at .370 in the cleanup spot as designated hitter with 19 RBIs, and he is a constant threat to hit the ball out. Todd Hinterser is at .405 with 28 RBIs and 21 steals. John Moad is at .385 with 23 RBIs.

The amazing Rich Wilson is back at the .480 mark with 29 RBIs in the match. Adamitis' total Jeff Grote's average was only .225 entering post-season, but he was 4 for 9 with a home run and five RBIs in the regional and he has 23 RBIs, a great total considering his average.

The pitchers are battling for themselves in the post-season as Patterson hits for catcher Joe Wallace. Wallace is improving steadily behind the plate, and the pitchers can help themselves with the bat. LeVault has drawn a school-record 36 walks and has an on-base percentage of .510.

Hendrickson came through with a big two-out, two-run single in the fourth inning to make a 3-2 game a 5-2 game.

LeVault and Hendrickson are both 9-3. Stegmeyer hadn't yet figured out pitching plans for the weekend, but the guess is LeVault will pitch Saturday and Hendrickson will be ready for Monday. If the Warriors go to state, Krausz will probably get a start if they play three games because the three games would come in a span of 36 hours.

As the fates would have it, graduation ceremonies at Granite City High School are Friday night. The Warrior seniors and that's all of the front-line players except Grote and Moad — will have to bounce back from that and be ready for a 10 a.m. game Saturday.

"I'm going to treat them like mature young men," Stegmeyer said. "I'm not going to be running all over town Friday night making sure of what they're doing. They know what they can accomplish."

Just to make sure his troops are ready by 10 a.m., however, Stegmeyer has scheduled a practice for — get ready — 7:30 Saturday morning.

"There were a few moans when that was announced," he said. "But we have seen players get up at quarter to nine for a 10 a.m. game and be very sluggish. That happened to us when we played Normal earlier in the year. They hadn't won a game and we really had to struggle to beat them."

"I know Triad has an excellent coach (Mike Scroggins)," Stegmeyer said. "So they proba-

THAT'S A WINNER! Warrior pitcher Darin Hendrickson runs off the mound in celebration moments after the final out in Granite City's 8-4 win over Edwardsville in the championship game of the Edwardsville Regional. Hendrickson is now 8-3 on the year and will likely pitch in the sectional title game Monday if the Warriors can get by Triad Saturday.

Tough Lancers ready after dumping Althoff

By Dave Whaley
Executive sports editor

Who would have thought it possible?

The fact the Belleville East Lancers (22-10) are in this week-end's Granite City Sectional is certainly no surprise. After all, the Lancers have made a habit of advancing to the sectionals and farther.

When Larry Patton's club descends on Varsity Field Sunday, they will be shooting for their sixth trip to the state finals in 13 years. They have been each of the last two years.

Winning their own regional was an accomplishment in itself. The manager in which the Lancers took the regional plaque was almost unreal. Their opponent in Monday's title game was Belleville Althoff. The Crusaders led the area in team batting with a .371 mark. They had hitters with averages like .483 (Steve Evans), .463 (Tom Myatt), .447 (Todd Marchand) and .397 (Jeff Gormie). Myatt alone had nine home runs and 37 RBIs.

All Lancer left-hander Kurt

Hill did was go out and throw a no-hitter as the Crusaders bowed out quietly. Evans' fly ball was the only ball Althoff hit out of the infield as Hill struck out four. And still, Patton was hesitant to say Hill threw the game of his life.

"He walked four batters in the first two innings," Patton said. "But after that, he started finding his spot. The fact he was a left-hander had to help a little against hitters like Myatt and Marchand."

Hill is 11-1, with the lone loss coming to Granite City April 21. He will be ready to face the Warriors if those two teams meet in the sectional title game Monday. Saturday, Patton will throw Jason Hill, a junior who is 9-1 with a 0.76 ERA, as the Lancers square off against Carbondale in the second semifinal game.

"I don't know much about Carbondale," Patton said. "We've met Belleville West played this year, and my son (Larry Patton Jr.) plays for

Rain aids Knights' bats; Triad next for Warriors

By Bill Morton
Staff writer

CENTRALIA — As the rain fell on Fairview Park during the first inning of their regional championship contest with Mascoutah Tuesday, Triad High School baseball coach Mike Scroggins tried to give encouragement to his players.

"The rain will quit," he said. "We will be able to get the game going again."

One would wonder why he wanted the rain to quit considering the Knights trailed Mascoutah 3-0 when Kevin Renon belted a three-run home run.

"When we get back to playing ball again, we need to get the bats going," Scroggins told his players. "I promise you we will get some runs today."

After the second of two rain delays which lasted 30 minutes, (with the first one taking up 50 minutes) the Knights didn't let Scroggins down as they broke through for eight runs in the second inning on their way to a 15-4 victory over the Knights and the Centralia Regional title.

Triad, now 30-4, will move on to face Granite City in the Warriors' sectional that begins when

the two teams clash Saturday at 10 a.m.

"This team has come from behind before," Scroggins said after the five-inning contest. "We haven't won 30 games for nothing."

Over on the Mascoutah side of the field, Indiana coach Fred Von der Linden could only shake his head.

"They have got a great hitting team," he said. "One of the best high school teams I have ever seen."

Triad, who drew a first-round bye, shored Mount Vernon 3-0 to advance to the title contest, while the Indians (4-24) upset O'Fallon LeVault on the way to Tuesday's game.

The Indians added a second-inning run with the help of two errors and had the bases loaded when the tide turned on them.

Chris Donahoe, who reached on one of the Triad errors, was on third base and Joe Moll was at the plate with Triad pitcher Phil Helf on the mound.

Helf ran the count to 2-2 on Moll before throwing ball three to the batter. Donahoe, thinking

Terriers hoping for better luck at 1987 GC Sectional

By Dave Whaley
Executive sports editor

A team from "Little Egypt" will try to come up and steal one from the big boys.

The Carbondale Terriers (19-14) advanced to the Granite City Sectional with a 5-1 win over Murphysboro in the championship game of the Benton Regional Tuesday. It will be the second trip in as many years to the sectional for head coach Larry Jackson and his troops.

Jackson is hoping for some success at this year's tournament, and anything will be better than his previous two trips up from deep southern Illinois, an area known as "Little Egypt".

"This is our third time in the sectional, and we have been beaten in the first game the other two times," he said.

Jackson said he didn't know a great deal about Belleville East, the Terriers' opponent in Saturday's second game at Varsity

Field, but he is confident in his team against any sort of competition.

"We have faced probably the best competition of any of the teams in our area," he said. "We played some of the St. Louis area teams this year."

Included was a double-header loss at Granite City in the last regular season games May 23, so Carbondale has not had a great deal of success at Varsity Field. But Jackson has a young team that might now know — or care — about the past.

"I have 11 juniors and only five seniors," he said. "At the beginning of the year, I didn't know how strong we would be. It was just a matter of how well everybody came together. But the juniors we have are a good group of kids."

John Jarvis (10-3) pitched the Terriers into the sectional with the win over Murphysboro, and Jackson said he will likely get the ball against the Lancers Saturday. If the Terriers win, Paul Mieling (7-1) will get the call for Monday's championship game.

Jarvis and Mieling are also among the Terriers' leading hitters. Mieling also plays in the outfield. Other big bats for Carbondale include catcher Mark Maviano and infielders Eddie Knight and Brent Jackson, the coach's son. Jarvis and Maviano are the leading RBI producers.

"We have been able to put some runs on the board in most of our games," Jackson said.

State champion

IAN SMITH of Madison is congratulated by head track coach Charles Steptoe after Smith won the 400 meter relay in the Class A boys state track finals in Charleston last weekend. Smith, a sophomore transfer student from Hazelwood East, will be one of several returning athletes to next year's Trojan squad.

Knights

(Continued from Page 1D)

it was ball four, trotted towards the plate where he was tagged out by Knights' catcher Brent Wilkerson.

"I had my head down and the next thing I knew, Donahoe isn't there," Von der Linden said. "That turned the game around."

That it did as the Knights, with the Indians' help, broke through for eight runs to begin the rout.

Triad had only three hits in the inning but sent 13 batters to the plate as the Knights benefited from three errors, three walks, two hit batsmen and a wild pitch to score eight times.

The Knights chased Mascoutah starter Mark Causar from the contest with the Indians still leading 4-1.

However, reliever Craig Williams couldn't hold the lead as Glenn Scott belted a two-run homer run and Mark Shuflet and Dave Wille hit two-run singles to highlight the inning.

Williams was replaced by Donahoe during the inning as "wildness" continued to hurt Mascoutah hurlers.

"The inning had a little bit of everything," Scroggins said.

Mascoutah made more mistakes in the third inning and the

Knights took advantage of them to tack on seven runs on only three hits as they paraded nine batters to the plate.

Helf tired in the fourth inning as he loaded the bases with nobody out, Scroggins brought in reliever Mike Dresch who put out the fire by striking out the side.

"Dresch was just overpowering," Scroggins said. "He was outstanding. We didn't take Mascoutah for granted. At this time of year you don't take any team for granted."

"Now we have to get ready for Granite City. They have a fine club and we will need to be at the top of our game to beat them."

"They have got good hitting and pitching and that's what it takes to win. I think we have the same, which will make it an interesting game."

Besides Helf and Dresch, Triad also has Derrick Lambert at 9-1, so the pitching is deep. The Knights are the only team still alive in the area with a higher team batting average than Granite City (.334) and their team ERA of 2.80 is the only one better than the Warriors among teams still active.

Wille is the leading hitter with a .424 average and he has 31 RBIs, as does Helf. Mark Perry has added 30 RBIs.

Park district to hold registration Saturday

The Granite City Park District will register children and adults for all summer activities this Saturday from 9 a.m. until noon at the Wilson Park Ice Rink.

Proof of residence must be provided at the time of registration in order to receive resident prices. The proof must be in the form of a park district identification card, voter registration card or a current utility bill with the name and address.

The recreation programs will begin June 8 and run for seven weeks. The tennis lessons, base-

ball school, girls sports program and a Summer program will be held in Wilson Park.

Gymnastics instruction, baton lessons and self-improvement classes will be held at the Harold Brown Recreation Center.

The summer recreation program for children will be held at the Niederglas, Parkview, Prater, Webster and Wilson Elementary schools.

Cost of the programs is \$5 for resident children and \$10 for non-residents. The adult exercise classes are \$7.50 for adults living

in the park district and \$17.50 for non-residents. Adult tennis lessons are \$10 for resident adults and \$17.50 for non-residents.

All fees must be paid at the time of registration. A registration form and waiver must be signed by the parent or guardian of children at the time of registration, meaning children must be accompanied by an adult in order to register.

For more information, call the Wilson Park office at 877-3059.

Courageous

JOHN KINDLE of Granite City was honored with the Most Courageous Award at the MacMurray College Athletic Awards Banquet. Kindle, a varsity letterwinner in football, spent much of the year recovering from a football-related injury. He was presented the award by Dr. J. Michael Jones, dean of the college.

Phillips makes long journey worthwhile

Larry Phillips made the long trip from Springfield, Mo., worth it Saturday night by taking home the lion's share of the purse money at Tri-City Speedway.

Phillips, driving the Independent Stave Co. Camaro #75, started on the outside of the front row alongside Ron Fisher. He beat Fisher to the first turn and led the entire 25 laps to win the U.M.P. late model stock car race.

Fisher was nipping at his tail pipe the entire way, but had to settle for second. Bill Shaw was third, Kevin Claycomb fourth, Doug McCammon fifth and Scott Ford sixth.

Phillips also won his heat race to give him a clean sweep. Fisher took the other heat.

Bo Smith of St. Charles made a clean sweep of the modified division by winning his heat and coming back to take the feature event.

He was followed across the line by Randy Durbin and Mike Hammerie. Ron Taylor too the other heat race.

Jake Seets took the sportsman's car feature event followed by Gary Landolt and Steve Quartermorse. Seets also took his heat race.

Bill Patton added another feature event win to his list as he took the feature event in the street stock cars as well as winning his heat race.

Wes Weinman was second in the feature event with John Stanton third and Pete Wee Morris fourth. Brian Wolfmeier, Weinman and Steve Kilson took the other heat races.

It might not be a record, but it doesn't happen very often. All four feature event winners had clean sweeps for the night, as they all won their heats.

Sports briefs

Junior Golf Tour begins regionals

The World Series of Junior Golf Tour will conduct 91 36-hole regional tour qualifier events across the country.

The top 40 players from each qualifier will earn an invitation to their particular region's regional tour in late July and August. The top five in each of the 26 regions will earn their card to the prestigious national tour to be held from November through February. Two of the events will be held adjacent to PGA tour events.

For 1987 application forms, players aged 13-19 should see their high school golf coach or call the Junior Tour at 313-642-6120.

BAC schedules basketball camps

Belleville Area College will be conducting its ninth annual basketball camps for boys in grades five through eight and girls in grades five through 12 beginning in June at the Belleville campus.

The cost of each week-long is \$40 per participant.

The dates for each camp are: June 15-19, boys grades 5-8; June 29-July 3, girls grades 5-8; July 6-10, boys grades 5-8; July 26-31, boys grades 9-12; Aug. 10-14, girls grades 9-12.

To register or for more information, call 235-7000, extension 271, or 1-800-BAC-6131 (toll free in Illinois).

SIUE hosting tennis benefit

SIUE will host its 10th Annual Tennis Benefit June 6 at the Gaslight Bath and Tennis Club in Collinsville.

Mini-tournament play will go on throughout the day, highlighted by the men's 4.5 Volvo team taking on SIUE's two-time NCAA Division II national championship women's team in an exhibition match.

Also included will be a dinner Saturday evening.

Cost is \$30 per person. For more information or registration materials, contact Bob Meyers or Russ Morris at the SIUE athletic department, 692-2871.

WGNU-AM airing NBA title series

WGNU-AM (920) will be broadcasting all Tuesday and Thursday night games of the NBA championship series.

The Los Angeles Lakers and the Boston Celtics are meeting for the NBA title. The Lakers won the opening game Tuesday night 126-113. All of the week-night games will begin at 8 p.m.

WGNU will not broadcast the Sunday games in the series.

Lancers

(Continued from Page 1D)

West. I plan to talk to coach (Charlie) Hasenstab (of West) this week.

As impressive as Althoff's lineup appeared, the Lancers are not without their own weapons. Brian Gibson is hitting .394 with seven home runs and an area-leading 44 RBIs. Tom White is at .387 with seven home runs and 38 RBIs and catcher Fred Judge is a .373 hitter. John Velino provides speed at the top of the order with 45 stolen bases.

"We're feeling pretty good about how our team is coming around," Patton said. "We're hitting the ball well and our defense is really improved. Of course, we know we are walking

into an awfully tough sectional."

But it's a sectional the Lancers have won each of the last two years.

"I think our experience will help us get an edge," Patton said. "We have 12 seniors on the club, and all of the players except Hess went to Springfield last year. But I think the fact Granite City gets to play at home could help them quite a bit."

And what about that shocking win over Althoff, coach?

"Althoff hit a slump near the end of the year," Patton said. "And we caught them on a good day. Kurt threw the ball very well, and I felt going in the game was a tossup."
